I had too many meetings today. This is one of those days in which I so appreciate not being a manager as they have meetings all day.

I am sorry about your missing the presentation as I know you had expressed interest in understanding more about the project. I would be happy to pass on the powerpoint presentation and talk to you about the project in person if you would like.

Thanks for the invitation, Jayne.
Unfortunately, I'll be at the Duwamish meeting (along with Dave C and Martha), so I'll miss it.

I've stopped by a couple times (but you haven't been at your desk) to thank you for the valentine. So sweet – thanks!

Many of you requested a presentation on Oregon CZARA project. Turns out JB from ORC is planning on talking about this project to her unit tomorrow (see subject line for details) and invited us to join them. Jenny and I (Alan too?) will be at the presentation to explain and answer any questions pertaining to the technical and policy aspects of the project. Do consider joining us in person or virtually.
